46th Annual
Forster Farms
Simmental Production Sale
Saturday, January 25, 2025 - 1:00 p.m.
at the farm - Smithfield, Nebraska

FORSTER FARMS

Welcome fellow cattlemen and cattewomen to our 46th annual Simmental Production Sale. We would like to invite you to be our guest and analyze our offering. Whether your operation needs a calving ease high maternal sire or a high growth more terminal carcass sire, you will find and strong selection of exceptional quality potential herd sires that will fill your needs. This year's offering has all percentages from purebred to ¼ bloods in both black and red. Many are sired by some of the most popular sires in the Simmental, Angus and Red Angus breeds.

Alan, Verlouis, Craig and Kevin Forster

All bulls selling are guaranteed against injury, not death, for the first 60 days from turn out. Death coverage can be added onto your farm policy very economically. We will pro-rate your next purchase based on the how long you were able to use him, then subtract any salvage value you received from the injured bull. If you ever have any questions, concerns, or just want to talk cattle, please give us a call. All cattle sell under ASA's suggested terms and conditions.

We will have a supplement sheet on our web site as soon as they are available at www.ForsterFarms.com. It will include carcass ultrasound results along with updated weights and carcass EPDs. Remember that EPDs are the most accurate predictor of both performance and carcass traits. If you have any questions about EPDs or cross breeding that would work best for your operation I would be glad to help.

As always, the sale offering is available for your inspection at any time, please call ahead to make sure someone can go through them with you. I encourage you to stop by and analyze our offering, we think that you will be impressed with the selection and overall quality. Our cow herd and herd sires are also available for your inspection in their natural un-pampered environment. If you have any questions or would like help with making your selections please give us a call or stop by the office.

The sale will be broadcast live on DVAuction.com for those that can't attend the sale. We thank you for your interest in our program and look forward to seeing you sale day!

THANK YOU
FOR ATTENDING THE 46TH
FORSTER FARMS
SIMMENTAL PRODUCTION SALE

- NOTES -

ASA Suggested Sale Terms and Conditions

Effective January 1, 2011

BIDDING AND APPLICABLE LAW: All cattle listed in this offering comply with prevailing sale terms and conditions as set forth by the laws of the state wherein the sale is conducted. There are no warranties, expressed or implied, by either the auctioneer or consignor, except as set forth herein, as to the merchantability of fitness for any particular purpose of any animal offered in this sale. The right to bid or the right to reject the final bid, if done before the hammer falls, is reserved for all sellers unless otherwise announced from the sale block or as prohibited by law in the state wherein the sale is being conducted.

ANNOUNCEMENTS: Any change of information other than in the catalog will be announced from the auction block and such announcements shall take precedence over printed material. All statements made from the auction block or those made by the seller (in private treaty), must be documented by seller if requested by the buyer at time of sale.

TERMS: Terms of sale are cash unless satisfactory credit arrangements have been made with the seller previous to the sale of any animal so affected.

PURCHASER'S RISK: Each animal becomes the property of and therefore is also the risk of the purchaser as soon as it is sold; except it shall be the obligation of the seller to see that animals are fed and cared for free of charge to purchaser, until loaded for shipment or until the expiration of twenty-four (24) hours after the sale, whichever occurs first.

HEALTH REQUIREMENTS:

1. All cattle entered for sale must meet the health regulations of the state in which they are sold. All other agreements regarding the health of the animal will be between the buyer and seller and should be documented in writing.
2. If sale cattle are returned to the seller for an adjustment, they must meet the health requirements of the state they are returned to.

CERTIFICATE OF REGISTRY: Each animal, which is catalogued, offered and sold as a registered animal, shall have a certificate of registry available at time of sale. When an animal is sold as "eligible for registry" or "registry applied for", the seller shall be responsible for obtaining the certificate of registry and for the proper transfer of the certificate to the purchaser including full payment of transfer fees.

IDENTIFICATION: Each animal, at time of sale, must have a readable tattoo or brand corresponding to that shown on the certificate of registration.
