Sire – QB Special Ops K11

- Bull has ideal toe shape and heel depth with ideal leg set and structure. Moves out with ease and flex down to his pasterns.
- Cow family is rock solid, with his young dam proving herself to be prolific.
- Use him to add that punch back into your Simmental. He produces heifers to keep, as well as those big-topped, heavy-quartered bulls that sell themselves.

- Pontiac saw heavy use in his first year with nearly 300 progeny reported.
- If searching for balanced trait selection without extremes, take notice to Pontiac! He offers 9 traits in the Top 15% of the breed in addition to ranking in Top 5 or better for \$API and \$TI.
- Pontiac was highly sought-after and heavily sampled by many prominent breeders. His impressive individual performance ratios of 89 for BW, 106 for WW and 109 for YW combined with impressive physical structure and outcross pedigree make him a popular choice.
